For use in therapeutic and preventative treatment to resolve skin problems caused by poor circulation, infection, and bacteria. Antimicrobial, antifungal, and antipruritic. Use to manage stasis dermatitis, eczema, hyperpigmentation, chronic dry tinea, heel fissures, minor burns, rashes, and diabetic skin conditions. Fragrance, dye, and steroid-free.

8-oz Bottle  
(185-0016).....ea \$12.29

**Straight Arrow**

**Foot Miracle Cream**

This unique, deep-penetrating formula softens calloused rough areas, bringing comfort and vitality to heels and feet. Also recommended for elbows, knees and any other rough-skin area. Never sticky or greasy. Leaves skin feeling soft.

6 oz  
(614-9342).....ea \$4.69  
32 oz  
(180-7625).....ea \$14.69

**Straight Arrow**

**Urea Care**

A unique, therapeutic treatment consisting of a blend of 10% urea, aloe vera, essential oils, and vitamins A, D and E with other hydrating properties that provide maximum moisture to heal dry, cracked, rough skin that is also associated with diabetic foot ailments. Urea Care glides on easily, immediately revitalizing skin that needs intense moisture replenishment, resulting in a smooth, ultrasoft look and feel.

**Urea Care Benefits**

- Feel the benefit of 10% urea, without the residue most urea formulas leave behind
- Glides on quickly, deeply penetrating the skin
- Provides intense therapeutic moisturizing treatment for dry, rough, callused areas
- Contains no mineral oil or petroleum, never leaving a greasy feel

6 oz  
(180-2216).....ea \$4.69

**PediFix**

**Soaking Crystals**

Revitalizing foot soak with fungus-fighting ingredients. Soothes tired, aching feet. Relieves odor, itching, burning and inflammation. Softens corns and calluses. Fights fungus, kills bacteria. Helpful after nail avulsion to promote healing and reduce the chance of recurrence.

(110-4028) .....6/box \$4.99

**HENRY SCHEIN®**  
**SYNTHETIC CAST PADDING**

Non-Sterile, 4-yd Rolls  
Made of synthetic fibers, this cast padding provides a safe environment under a hard cast and a comfortable feel for the patient. Allows patients to swim, shower, or bathe. Repels water and dries rapidly. Retains consistency under wet or dry conditions and conforms to all body contours. Works with synthetic or plaster casting material.

**Specialist® Plaster of Paris Splints**

Fast/Extra Fast Sets  
Uses a time-tested formula and manufacturing process that produces a consistent plaster. Plaster is uniformly coated and firmly adhered to gauze. Has a high dry/wet plaster retention, so more plaster is applied to cast and not wasted in wrapper or dip bucket. Has an early green strength to reduce time that cast is vulnerable to distortion. Fast Set (blue label) sets in 5 to 8 minutes; Extra Fast Set (green label) sets in 2 to 4 minutes.

- Excellent strength and consistency
- High dry/wet plaster retention
- Early green strength
- Low exothermic reaction
- Smooth finish
- Moisture-resistant packaging

## Tegaderm™ Foam Adhesive Dressings

Sometimes **bigger** is not better

### Unique shapes and sizes!

#### When smaller is better

Unique 3M™ Tegaderm™ Foam Adhesive Dressings come in convenient sizes and shapes to help professionals manage small, difficult-to-dress wounds with confidence. Soft, conformable Mini Ovals and Mini Wraps are easier to apply on challenging contours and curves than larger dressings — no trimming! — yet they provide patients with the same comfort and care of full-size dressings, including high absorbency, fast-wicking and up to 7-day wear time.

For the best patient care and comfort, add Mini Ovals and Mini Wraps to your next order.

Item#	Size	Pkg.	Price
(777-0535)	2.75" x 3" Mini-Oval	10/box	\$36.29
(114-0657)	2.75" x 2.75" Mini-Wrap	40/Ca.	\$145.99

**3M™ Tegaderm™** Dressings SIMPLE. DEPENDABLE. TRUSTED.

## DARCO

### Med Surgical Shoe

- Square toe design provides additional bumper protection when K-wires are present
- Rocker sole reduces plantar pressure on the forefoot and heel by over 25%
- Strapless forefoot closure eliminates buckle pressure and expands to accommodate a 17" dressing
- Ankle strap eliminates heel slippage
- Zoned outsole provides traction under the midfoot
- MetaShank protection provides more rigid control under the metatarsal heads
- Removable insole fully customizable with over twice the padding

**NEW!**

**Powerstep® SlenderFit™ Fashion Orthotics for Women**

Designed with the female foot in mind! Features an ultraslim, tapered profile that fits in most women's fashion shoes, including high heels, wedges, pumps, boots, sandals and more. These premium orthotics are similar to custom-made orthotics and come in a prefabricated design with a unique S-shaped shell that cradles the heel and provides full arch support in any shoe. Built-in metatarsal cushioning under the ball of the foot helps alleviate pressure for increased comfort and protection. Antimicrobial top-cover fabric helps provide odor protection and dryness in a discreet black color for inconspicuous wear. Easily transferable from one pair of shoes to the next, these supports are easy to fit and require no trimming. Black

# Functionality, efficiency and versatility - Midmark 647.

With its best-in-class foot section design, the Midmark 647 is the next step forward in foot, ankle and wound care. Innovative and ergonomically advanced, the 647 helps you work at peak performance, even during lengthy procedures.

- Integrated touchpad controls for convenient point of care access
- Ergonomic, conveniently positioned release handles provide smooth, one-handed operation of the foot section
- Large, stainless steel debris tray is positioned to catch debris while feet are elevated above and out of the way

For more information, call **1-866-825-3613** or visit [midmark.com/ScheinQ3FootAnkle](http://midmark.com/ScheinQ3FootAnkle).

**Radiomat™ SG™ Full Speed Orthochromatic Film**

This film provides high contrast and excellent detail throughout the entire diagnostic range and rapid processing. This medium speed, high contrast film is compatible with any green-emitting rare-earth intensifying screen. When used with 400-speed green rare-earth screens, images have high clarity, high contrast, and overall image sharpness. When used with 100-speed green rare-earth screens, the film provides outstanding detail in extremity images. All come in a non-interleaved, reclosable box.

**Ask Us About Our Great Leasing Programs!**

**20/20 Digital Imaging System**

**FEATURES AND BENEFITS:**

- Patented Tilt Head System (eliminates need to rotate patient for AP views)
- 3½" high base (improved height for patient use)
- Patient support rail allows access from side or front
- 29" SID AP/oblique view
- 36" SID lateral view
- "SR" series proprietary tube
- Low-voltage exposure switch
- Qualifies for ADA tax credit

**SPECTACLE SOFTWARE:**

- Innovative "Point, Click & View" process
- Cleaner artifact-free data
- Advanced DICOM image processing
- 20/20 Image Management Software
- iSPECTACLE web-based software (optional) includes:
- Installation and in-service applications
- Full 12-month parts and labor warranty
- 24/7 technical support

**CryoOmega®**

Disposable Cryosurgical Device

**Clinically effective direct spray of liquid nitrous oxide (-89°C/ -127°F) in a convenient and economical device.**

- Colder and more effective than canister-based disposable systems
- Precise, concentrated spray
- Usually resolves most lesions in a single-office visit
- Average treatment time is 10 seconds
- Precise, concentrated spray, no accessories required
- FDA approved for a broad range of non-malignant dermal lesions!
- Unit does not contact patient
- Shelf-life of 2 years un-activated, at least 6 months activated
- Non-flammable, disposable
- High revenue stream, pays for itself in about 3 treatments

(378-0286) CryOmega ..... **\$326.99**Disposable cryosurgical unit containing 16g nitrous oxide (N<sub>2</sub>O) cartridge
