

Going on the Offensive with Odor

In a stinky restroom, it's a reflection of you that customers see.

Behind dirty toilet seats, the number two restroom complaint is odor.

Smell has such a primal impact, it actually transforms perception.

Compact® Side-By-Side Bathroom Tissue Dispenser with ActiveAire® Freshener Dispenser

Innovation That Makes Scents

Easy to Maintain

Easy-access designs make maintenance and refills a breeze, with no messy liquids or sprays.

Sustained Release

Automatically provides continuous freshness for at least 30 days.

On-Demand Scent

Motion-activated upon entering the stall, and additional freshness with a wave of the hand.

VOC Compliant

Compliant for VOC content with applicable federal and state regulations.

90%

of people consider bad odor a source of dissatisfaction when it comes to public restrooms.
