## Why roll with **sustainable brown towels?**

### Help reduce your environmental footprint

Our towels made of recycled material, can help you make a softer environmental impact.

### Improve perceptions of your brand

The brown color can help customers notice your sustainability. It's something they can think about as they make buying and loyalty decisions.

## Sustain business with top quality. Our towels offer...

### Comfort & Care

Designed to be softer on hands than the average brown towel, for an experience your customers can appreciate.

### Fast drying

Our towels are absorbent, which can help dry hands faster, so people can get back to business.

### Strength customers can count on

Our towels are good for a broad range of applications and give the quality you expect from a recognized brand.

### Did you know?

Adding our dispensers can help boost efficiency and help reduce waste.
