

ShoeLift™

Simple, fast and easy to apply, the ShoeLift™ uses an innovative design that helps to equalize a patient's limb length and reduce body strain while walking in a cast or walking boot. Easily removable, the ShoeLift™ comes in three different sizes.

PN'S	DESCRIPTION	SIZE
SHOELIFT		
79-95603	SHOELIFT	SMALL
79-95605	SHOELIFT	MEDIUM
79-95607	SHOELIFT	LARGE

INDICATIONS FOR USE: Intended to compensate for leg length changes while wearing a fracture walking brace. Recommended for use on a securely fastened closed toe shoe or sneaker.

WARNINGS AND PRECAUTIONS: Always wear a securely fastened shoe. Remove the ShoeLift before operating a motorized vehicle. Always exercise caution and care when using the ShoeLift. Improper use or installation of the ShoeLift could result in injury. If you experience any pain, swelling, sensation changes, or any unusual reactions while using this product, consult your medical professional immediately.
