

Recycling Opportunities:

Graham Medical's scrubs, as well as single-use fitted sheets and pillowcases, can be recycled and reprocessed into products such as yarn, rope and jackets.

For more information on recycling of Graham's products please contact Cathy Schuch at: cschuch@littlerapids.com

Single-use products offer the ultimate in infection control, reduce cross-contamination and HAIs risks.

- Latex-free and powder-free.
- Unisex garment made of soft, linen-like material.
- Fluid resistant, yet lightweight, breathable material.
- Features an elastic, latex-free waistband and sewn v-neck for comfort and fit.

Improve work place safety with lighter weight scrubs.

(75% lighter weight than linen gowns or scrubs.)
