

Create a Culture of Compliance with
The PURELL SOLUTION™

Put Your High Quality Standards on Display with the PURELL® Brand

A Proven, Effective Solution for Hygiene Compliance

PURELL® products are formulated using the latest science available, are proven to help reduce the spread of germs, and help support HACCP compliance to assure food safety. When it comes to maintaining high quality standards and avoiding contamination, show your commitment to maintaining a clean, well-run facility.

#1

Hand
Sanitizer Brand

PURELL Brand Products Show You Care

PURELL is America's #1 hand sanitizer brand¹, and features products formulated for use throughout food processing facilities. The PURELL brand is also synonymous with health and well-being. In fact, 82% of people who see PURELL products have a positive impression of the facility providing it.²

84%

Believe Your
Facility is Clean

The PURELL Brand Brings Peace of Mind

PURELL products project a quality image that extends to your entire operation. In a study, 84% of people were satisfied with the overall cleanliness of a facility with PURELL products.²

Up to
51%
Less
Absenteeism

PURELL Products Help Keep Your Business Healthy

When employees are healthy, your business runs smoothly. Outcome studies show that an effective hand hygiene program can help reduce absenteeism by up to 51%.^{3,4,5}

Introducing The PURELL SOLUTION™

A complete set of effective and compliant products, designed to provide no-trade-off protection from the spread of germs. Hand soaps, hand sanitizers and surface sanitizer work together, so facilities no longer have to choose between products that are effective and products that staff members enjoy using.

The PURELL SOLUTION™ Helps

E1 Handwash

This non-antimicrobial handwash offers general cleansing for non-critical areas.

- Removes fats, oils and other food processing soils
- Recommended for use with PURELL® Food Processing Advanced Hand Sanitizer
- Dye-free and fragrance-free
- Certified Kosher

E2 Wash/Sanitize

This one-step sanitizing handwash provides quick, easy cleaning in food-contact settings.

- Removes fats, oils and other food processing soils
- Effective against common spoilage and foodborne pathogens
- Dye-free and fragrance-free
- Certified Kosher

Protect Your Entire Operation

E3 Sanitizer

No-rinse hand sanitizer for use throughout food processing facilities.

- Kills 99.99% of most common germs including Salmonella, E. coli and Listeria
- Approved for hand/food contact after handwashing
- Certified Kosher

D2 Surface Sanitizer & Disinfectant

One-step sanitizer and disinfectant formulated for food-contact surfaces.

- Kills 99.9% of germs on surfaces, reducing the risk of cross-contamination
- Formulated with approved EPA ingredients for Food Contact Sanitizing Solutions
- Sanitizes gloves and footwear in 10 seconds

Durable, Reliable Dispensers for Food Processing Facilities

In even the most demanding environments, PURELL® dispensing systems are designed for reliability. From the production floor to the front office, GOJO can equip your facility with the reliable and attractive soap and sanitizer dispensers you need to stay up and running.

PURELL ES4
Durable, push-style dispensing for soap or sanitizer

PURELL CS4
Durable, push-style dispensing for soap

PURELL FMX-20™
High-capacity, push-style dispensing for soap

PURELL ES6
Reliable, touch-free dispensing for soap or sanitizer

PURELL ES8
Reliable, touch-free dispensing for soap or sanitizer

PURELL CS6
Reliable, touch-free dispensing for soap

The Power of PURELL® Food Processing Surface Sanitizer

Rapid Kill Time

Eliminates Listeria, Salmonella, E. coli and Norovirus in 30 seconds

NSF Certified D2 Classification

No rinse required on food contact surfaces

EPA Design for the Environment (Dfe) Certified:

Non-corrosive formula does not persist in the environment

Powerful, Low-Toxicity Formulation

Features the lowest allowable EPA human toxicity rating - no precautionary statements or personal protective equipment required

Designed For Water-Sensitive Equipment

Quick-drying formula can be used on a wide variety of surfaces

Elegant Design Meets Maintenance Ease

The iconic design features of PURELL ES8 dispensers reinforce your commitment to higher standards. And since they're touch-free, they also help reduce germ transmission.

AT-A-GLANCE™ Refill Design

Monitor product levels with just one look. It is quick and easy to see which dispensers need your attention, so they are always serviced and ready.

Breakthrough Energy-on-the-Refill Technology

Each new refill comes with its own energy source - a coin cell battery that's integrated into the refill. When you replace the empty refill, you get fresh energy in one simple step. Back-up power inside the dispenser provides added assurance of high performance - even with extreme high-frequency use. No more batteries to change!

Personalize With Your Brand

Personalize with your message and take credit for providing the best. Personalized soap and hand sanitizer dispensers are highly visible and showcase your commitment to cleanliness, health and well-being. A variety of options are available for personalization, including logos on dispensers, custom header signs or a complete personalization of the PURELL MESSENGER™ Floor Stand.

Visit PURELLSOLUTION.com/personalization or contact your GOJO Representative for information on personalizing your PURELL program.

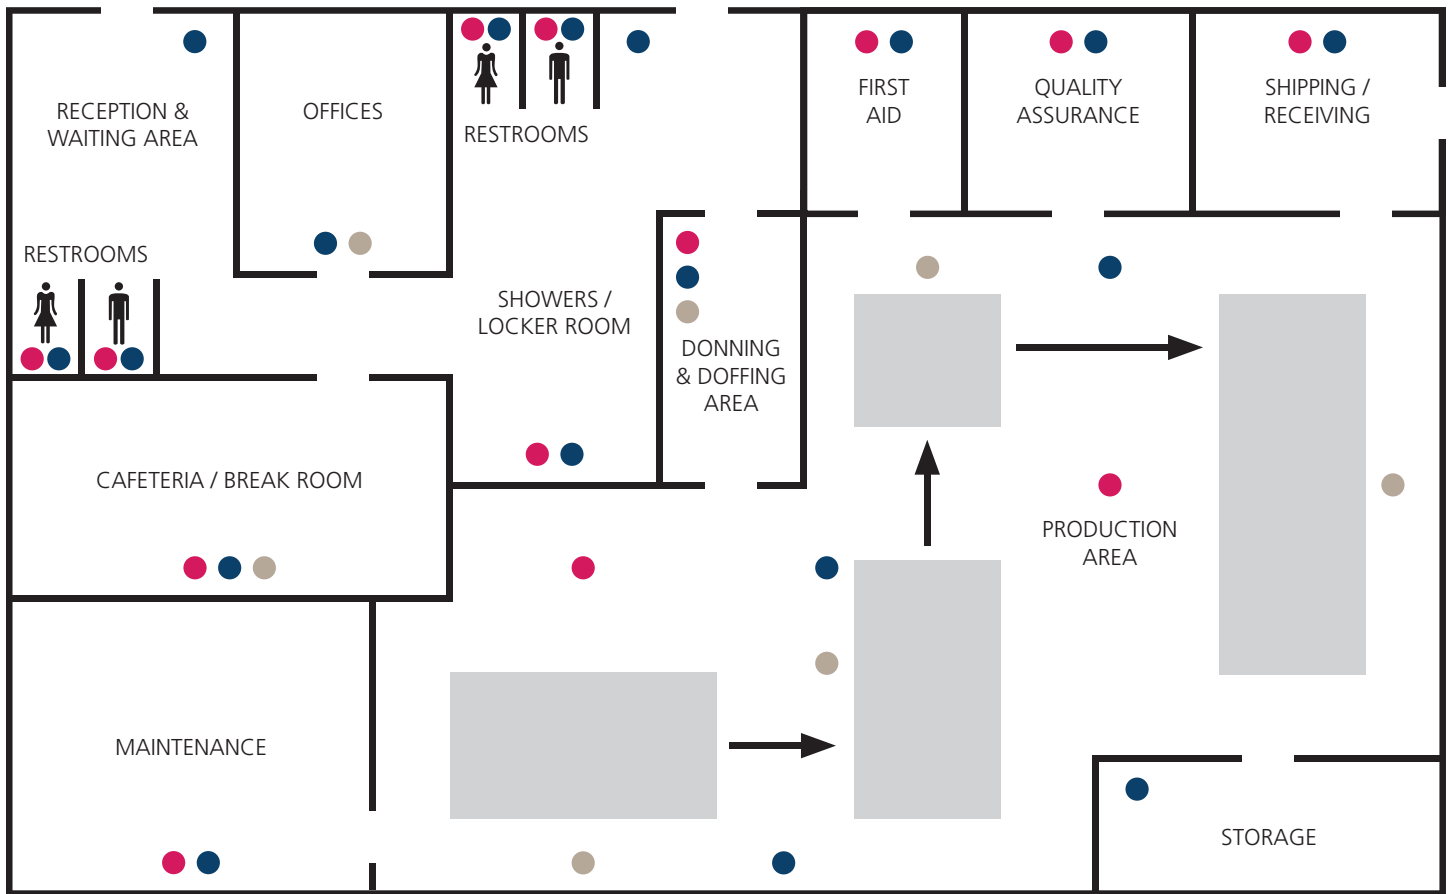

Setting a Higher Standard for Performance and Sustainability

Best-in-class science and technology has gone into creating the PURELL SOLUTION™. All PURELL® products are created with industry-leading sustainability policies and practices in sustainable chemistry, packaging and dispensing system design.
