**REFINITY™ Homecare Line: *Our simple regimen for the skin.***

REFINITY™ Skin Solutions *products let you experience the benefits of medical strength AHAs without the irritation commonly associated with anti-aging homecare products.*

**Purifying Cleanser:** A mild, soap-free cleanser designed to cleanse the skin thoroughly but gently from impurities such as make-up, dirt, and oil. Using glycerin to draw and hold moisture, this cleanser will leave your face looking and feeling hydrated and smooth. The surfactant base of lactic acid exfoliates skin cells in preparation for skin renewal. Our patented anti-irritant Cosmederm-7™ makes this cleanser safe enough for even the most sensitive skin.

**Protective Toner:** This unique formula with Cosmederm-7™ not only helps to tighten pores, but also provides all day protection from the irritating chemicals in the environment. Our research on Cosmederm-7™ demonstrates its powerful effect of reducing irritation by almost 80% from any and all high strength acid products. You will find our toner to be a soothing and effective pre-conditioner for various active ingredient products. *Note: This product is not available in sample size.*

**Our three exfoliating REFINITY™ Skin Solutions moisturizers** are all formulated with the highest level of AHA (15%) recommended for physicians as well as the anti-irritant Cosmederm-7™. These high-level lactic acid products penetrate at the cellular level to stimulate skin's turnover, which increases collagen and elastin fibers, resulting in refined color, tone, and texture for the ultimate in younger looking skin. In addition, Cosmederm-7™ provides you with a more comfortable way to get the results you need.

1. **Rejuvenating Lotion (for normal skin):** This light yet emollient lotion gently exfoliates and moisturizes normal skin.
2. **Rejuvenating Hydrogel (for oily skin):** This oil-free moisturizer is ideal for the oily T-zone and blemish-prone skin.
3. **Rejuvenating Cream (for dry skin):** This non-greasy moisturizing cream provides intense moisture and exfoliation. When used on dry skin, our formula helps to trap natural moisture in the skin to provide a dewy, even complexion for day or night use.
