

**Dr. René Willi**  
**President Global Dental Surgical Group**  
**Henry Schein, Inc.**

Since 2013, Dr. René Willi has been President Global Dental Surgical Group of Henry Schein as well as a Member and Delegate of the Board of Directors of Camlog Holding AG.

Dr. René Willi joined Henry Schein in December 2013 from his previous position as Executive Vice President, Surgical Business Unit, at Institut Straumann AG in Basel, Switzerland, where he was responsible for global product management, market management, project and program management, product development, clinical research, regulatory affairs as well as technical services.

Mr. Willi acquired much of his professional experience working for the medical device industry. Prior to Straumann, René held roles of increasing responsibility in the cardiovascular division of Medtronic. Before that, René served as a management consultant with McKinsey & Company.

Dr. René Willi holds a Master degree in Chemical Engineering, a PhD in Technical Sciences and Postgraduate Master Degree in Industrial Engineering and Management from the Swiss Federal Institute of Technology ETH Zurich. He is an alumnus of the Medtronic Marketing Leader Program at the Wharton School, University of Pennsylvania.
