

### Safe Harbor Provision

Cautionary Note Regarding Forward-Looking Statements and Use of Non-GAAP Financial Information

In accordance with the "Safe Harbor" provisions of the Private Securities Litiaation Reform Act of 1995, we provide the following cautionary remarks regarding important factors that, among others, could cause future results to differ materially from the forward-looking statements, expectations and assumptions expressed or implied herein. All forward-looking statements made by us are subject to risks and uncertainties and are not augrantees of future performance. These forward-looking statements involve known and unknown risks, uncertainties and other factors that may cause our actual results, performance and achievements or industry results to be materially different from any future results, performance or achievements expressed or implied by such forward-looking statements. These statements include EPS auidance and are generally identified by the use of such terms as "may." "could." "expect." "intend." "believe." "plan." "estimate." "forecast." "project." "anticipate." "to be." "to make" or other comparable terms. A fuller discussion of our operations, financial condition and status of litiaation matters, including factors that may affect our business and future prospects, is contained in documents we have filed with the United States Securities and Exchange Commission, or SEC, including our Annual Report on Form 10-K, and will be contained in all subsequent periodic filings we make with the SEC. These documents identify in detail important risk factors that could cause our actual performance to differ materially from current expectations. Forward looking statements include the overall impact of the Novel Coronavirus Disease 2019 (COVID-19) on the Company, its results of operations, liquidity, and financial condition (including any estimates of the impact on these items), the rate and consistency with which dental and other practices resume or maintain normal operations in the United States and internationally, expectations regarding PPE and COVID-19 related product sales and inventory levels, whether additional resurgences or variants of the virus will adversely impact the resumption of normal operations, whether vaccine mandates will adversely impact the Company (by disrupting our workforce and/or business), whether supply chain disruptions will adversely impact our business, the impact of restructuring programs as well as of any future acauisitions, and more generally current expectations regarding performance in current and future periods. Forward looking statements also include the (i) ability of the Company to make additional testing available, the nature of those tests and the number of tests intended to be made available and the timing for availability, the nature of the target market, as well as the efficacy or relative efficacy of the test results given that the test efficacy has not been, or will not have been, independently verified under normal FDA procedures and (ii) potential for the Company to distribute the COVID-19 vaccines and ancillary supplies.

Risk factors and uncertainties that could cause actual results to differ materially from current and historical results include, but are not limited to: risks associated with COVID-19 and any variants thereof, as well as other disease outbreaks, epidemics, pandemics, or similar wide spread public health concerns and other natural disasters or acts of terrorism; our dependence on third parties for the manufacture and supply of our products; our ability to develop or acauire and maintain and protect new products (particularly technology products) and technologies that achieve market acceptance with acceptable marains; transitional challenges associated with acquisitions, dispositions and joint ventures, including the failure to achieve anticipated synergies/benefits; financial and tax risks associated with acquisitions, dispositions and joint ventures: certain provisions in our governing documents that may discourage third-party acquisitions of us: effects of a highly competitive (including, without limitation, competition from third-party online commerce sites) and consolidating market: the potential repeal or judicial prohibition on implementation of the Affordable Care Act: changes in the health care industry: risks from expansion of customer purchasing power and multi-fiered costing structures: increases in shipping costs for our products or other service issues with our third-party shippers: general global macro-economic and political conditions. including international trade agreements and potential trade barriers; failure to comply with existing and future regulatory requirements; risks associated with the EU Medical Device Regulation; failure to comply with laws and regulations relating to health care fraud or other laws and regulations; failure to comply with laws and regulations relating to the confidentiality of sensitive personal information or standards in electronic health records or transmissions; changes in tax legislation; litigation risks; new or unanticipated litigation developments and the status of litigation matters; cyberattacks or other privacy or data security breaches; risks associated with our global operations; our dependence on our senior management, as well as employee hiring and retention; and disruptions in financial markets. The order in which these factors appear should not be construed to indicate their relative importance or priority.

We caution that these factors may not be exhaustive and that many of these factors are beyond our ability to control or predict. Accordingly, any forward-looking statements contained herein should not be relied upon as a prediction of actual results. We undertake no duty and have no obligation to update forward-looking statements.

Included within the press release are non-GAAP financial measures that supplement the Company's Consolidated Statements of Income prepared under generally accepted accounting principles (GAAP). These non-GAAP financial measures adjust the Company's actual results prepared under GAAP to exclude certain items. In the appendix, the non-GAAP measures have been reconciled to and should be considered together with the Consolidated Statements of Income. Management believes that non-GAAP financial measures provide investors with useful supplemental information about the financial performance of our business, enable comparison of financial results between periods where certain items may vary independent of business performance and allow for areater transparency with respect to key metrics used by management in operating our business. These non-GAAP financial measures are presented solely for informational and comparative purposes and should not be regarded as a replacement for corresponding. similarly captioned. GAAP measures.
